Government polytechnic ahmedabad-380015	Completed electrical engineering in gujrat technolgical university.

EXPERIENCE

fresher

SKILLS

- Team leadership
- Problem solving
- Time management
- Collaboration

TECHNICAL SKILLS

I have strong technical hardware skills, including assembling and disassembling PCs, upgrading components such as RAM, hard drives, and power supplies, and troubleshooting hardware issues. I'm experienced in configuring BIOS/UEFI settings, performing system diagnostics using tools like multimeters and hardware testers, and installing and maintaining peripheral devices such as printers, scanners, and monitors."
